

2015 ANNUAL REPORT

RONALD McDONALD HOUSE

Charities of the Central Valley

It is an honor to serve as the Board Chair of the Ronald McDonald House Charities of the Central Valley. Our Board of Directors remains committed to making a difference for families of the Central Valley in need of services provided by Valley Children's Healthcare. We are also focused on expanding our services to meet the growing demand from our 9 county service area.

As a Board member these past few years, I've been able to see the impact we make for children and their families first hand. The Board of Directors recently provided a meal for families staying at the Ronald McDonald House and we got to hear from them about their experiences as a guest. Our families and our entire Board cannot say "thank you" too many times to our volunteers, staff, and all those that provide a positive environment for the guests that stay at the Ronald McDonald House. The

need to stay at a Ronald McDonald House can happen to any of us with young children at any time and when least expected and no one is ever prepared for such an occurrence; however, it is during those times that the value of this organization is truly realized.

Our ability to respond to families that find themselves in a challenging set of circumstances would not be possible without our partnerships with donors, sponsors, and other stakeholders within our community. Thank you for all that you do and I would also ask for you to consider even getting more involved with the Ronald McDonald House Charities. There are always volunteer opportunities and we sincerely appreciate the support received from our events and other fundraising activities.

On behalf of our entire organization, I thank you for your continued support.

First, let me express what an honor it is to have been selected to lead the Ronald McDonald House Charities of the Central Valley. The work we do is so important as families seek refuge at the Ronald McDonald House, when faced with the difficulties and logistics involved with caring for a child that requires an extended stay at Valley Children's Hospital.

I am most appreciative of our compassionate staff and Board members who contribute to the mission of "providing a home away from home" for the families that we serve on a daily basis. We are all very grateful for your service. In addition, I must also mention the incredible volunteer support the Ronald McDonald House receives on an ongoing basis.

I am consistently asked about first impressions during my initial months as Executive Director and I respond by acknowledging the vast numbers of such high quality volunteers, who give their time and other valuable resources every day of the week. To be honest, I have never encountered such dedication and loyalty from volunteers, as I have seen at the Ronald McDonald House.

As we look to the future, the expansion of our services will continue to be our number one priority. We are at full capacity each night, every day of the year, and the trend does not appear to be changing anytime soon. As we continue to serve 9 counties throughout the Central Valley and coastal regions it is paramount that we focus on our expansion in order to serve greater numbers of families in need.

Rachel's STORY

Our House is Home to 18 families each night. Some families stay for just a few days while others spend several months in our House. Rachel and her family have stayed on and off with us for the past six months. Traveling all the way from Ceres, Rachel arrived at our House when her newborn son Daniel was just 4 days old. Rachel found out she was pregnant with her second son last November and had a wonderful, full term pregnancy. Her oldest son, Kyle, was seven when his little brother Daniel was born on May 19, 2015.

Rachel and her fiancé knew something wasn't right when her son was having difficulty breathing. They took him to the hospital where he was quickly airlifted to Valley Children's Hospital. Scared and confused, Rachel went home and packed a few things then made her way to Madera. She did not know what to expect.

Daniel was diagnosed with Hypoplastic Left Heart Syndrome. HLHS is one of the most complex cardiac defects seen in newborns and remains one of the most challenging to manage of all congenital heart defects. The left side of Daniel's heart was severely underdeveloped and he would have to undergo a series of surgeries to correct it.

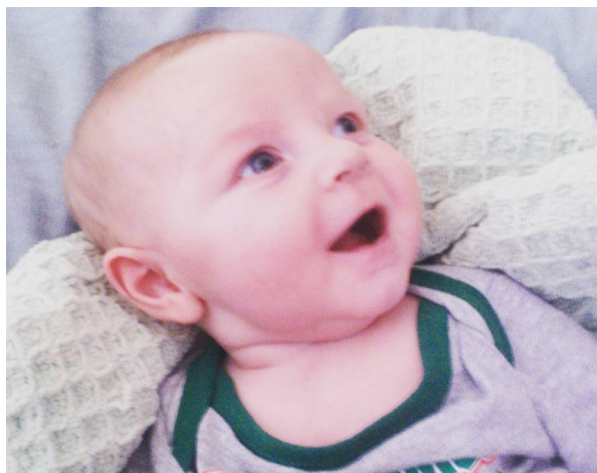

Rachel was exhausted, nervous, and afraid. She had not slept in nearly three days before she learned about Ronald McDonald House. When she first arrived she was greeted by staff and some of the other mothers staying at our House. "I was delirious. I checked in, went to my room and had the best night's sleep." This was the first good night's sleep Rachel had in days. Our House allows for families to step away from the beeping machines, and have a comfortable, uninterrupted night's rest. Without our House, Rachel would have traveled back home only to visit her son on occasion.

Daniel underwent his first surgery 14 days after his arrival to Valley Children's Hospital. He had suffered a tremendous loss of oxygen and his body needed to recover before he could undergo heart surgery.

"The hardest thing was saying goodbye to him when he went into surgery," Rachel said. Rachel made several friends while staying at our House and they helped one another through the process. "The people I met at the House are what helped me get through the days. They got me to laugh when I didn't think it was possible. I couldn't have gotten through this experience without them."

Rachel and her family stayed in our House for two months while Daniel got strong enough to go home. Our House allowed her to stay close to her son when he needed her most. To her, Ronald McDonald House meant a warm bed to sleep in, home cooked meals, and an abundance of support and friendship.

"Ronald McDonald House is a tremendous support to my family. I don't know what we would have done without it. Because of Ronald McDonald House, I was able to see my son every day," said Rachel. Daniel was able to go home with his family for a couple of months before his next surgery. He left with a GI Tube and a heart catheter before returning to our House again in November. Daniel underwent the second of the three surgeries required on November 17, 2015.

He is now one step closer to a healthy heart and life. Daniel's heart will require one more surgery and he will need to be monitored his entire life. It is possible he may still need one more heart surgery and/or a pace maker later in life. However, Daniel will grow up to be a happy, healthy child. Ronald McDonald House kept this beautiful family together during their time of need. We are so thankful we were able to help ease the worry of a place to stay while Rachel and her family had bigger problems to face.

IN LOVING MEMORY OF
Mathew Lum, *House Volunteer since June 2013*

SERVE *a MEAL* program

Having a child in the hospital can be challenging for any family. Cooking a meal for themselves is the last thing a parent wants to think about after sitting by their child's bedside all day. We have two kitchens and over 18 hungry families at any given time. Coming home to a home-cooked meal is something families will greatly appreciate.

When you're serving a meal, you get to experience the togetherness of our House and the thankfulness of our families. We have breakfast, lunch & dinner 365 days a year. Hosting a meal is not only a fun way to give back, it's a fantastic bonding experience for any group! Bring your friends, family, co-workers, church or community group and be a part of what makes our House a home.

HOW *you can* HELP

Volunteering with us is a great way to give back to the community. The days and times are flexible, the work is rewarding and the House itself is an amazing place to spend time. Come help us support our families in a time when they need it most!

VOLUNTEER REQUIREMENTS

- Be at least 16 years of age
- Request and complete a volunteer application online or at the House
- Schedule an interview and tour with the Volunteer Coordinator
- Attend a short orientation

HOUSE OPPORTUNITIES

- Front desk or office aide
- Serve a meal
- Annual & special events
- Fundraising committee
- Light housekeeping and/or maintenance
- Host a movie night, craft, or fun activity
- Host a holiday celebration

WISH LIST

HOUSEHOLD ITEMS

Toiletries

- Shampoo
- Conditioner
- Toothpaste & toothbrushes
- Feminine hygiene products
- Nursing pads & diapers (newborn to toddler)

Paper Goods

- Plates
- Cereal bowls
- Paper towels
- Napkins
- Facial tissues
- Ziploc bags
- Coffee filters
- Plastic wrap & foil
- Garbage bags (13 & 30 gallon size)
- Plastics forks, knives & spoons

CLEANING SUPPLIES

- Laundry soap
- Fabric softener
- Dryer sheets & bleach
- Dishwasher soap & dishwashing liquid
- Lysol wipes
- Air freshener
- Swiffer pads (wet & dry)

FOOD ITEMS

- Canned & boxed foods
- Coffee & tea
- Sweet 'n' Low & creamer
- Frozen foods
- Meat & lunch meat (fresh or frozen)
- "Grab and Go" snacks (granola bars, juice boxes & dried fruit)
- Fresh produce
- Milk & eggs

ADDITIONAL ITEMS

- White wash cloths, hand towels, & bath towels
- Cream or white fleece blankets

DELIVERY

Professionals Reaching Out “PRO” is Ronald McDonald House Charities of the Central Valley’s young professionals guild. PRO had a great 2015! They coordinated the 2nd Annual Rockin’ With Ronald at ApCal with live music by Midnight Run, Sounds of Journey. Everyone in attendance was up out of their seat dancing at least one point during the night and you better believe everyone was singing at the top of their lungs! We received generous donations from local business that contributed to our silent auction, had tasty grub by two local food trucks and great participation in our raffle prizes. The event was made possible by our continued supporters and some extra special love by KSEE who had us on live to promote.

We are so excited for 2016 as there are big plans ahead! We’ve gained 4 new members to the guild who all have a personal tie to the Ronald McDonald House Charities. PRO is going to fade out as we rebrand to The Red Shoe Society. Keep an eye out for our new logo and social media updates. Lastly, they are planning for a super fun social event come October! Stay tuned for the details.

ANNUAL *Events*

SPORTING CLAYS CLASSIC

This year we celebrated our 10th Annual Sporting Clays Classic! We started the weekend off with our first ever Friday Night “Kick Off” Dinner at San Joaquin Wine Co. 180 guests enjoyed local wines, a gourmet dinner, silent and dessert auction, and a unique gun raffle! Every year we host our Sporting Clays Classic at Sun Mountain Gun Club. Their personal connection to our House is the reason we host this tournament. This year we had the highest participation at 307 shooters helping us raise nearly \$96,000! Our Sporting Clays Classic is the largest charity shoot this side of the Mississippi River. We could not do it without the support of Kids & Clay Foundation, our outstanding committee, and our community. Thank you to everyone who came out to “shoot for a cause” and support our House.

135 TO THE HOUSE

Over 80 people “ran for a cause” in our 135 mile Ultra Marathon and Benefit Relay in September. Our runners began at the Bakersfield Ronald McDonald House and ran to our Madera Ronald McDonald House to raise money for both chapters. Monique Jacques “Runner Moe” was the first female runner to complete the race as a solo runner, taking 41 hours. “I did this run to not only push my body and mind to the limit but to raise money for our local community, for the Ronald McDonald house,” says Runner Moe. This unique event was started by David Thull in 2012 and has brought incredible awareness for our cause. Local running groups such as the “Bad News Bears” dominated the run bringing out nearly 30 runners. We are looking forward to watching this race grow!

ANNUAL *Events*

RED HEART BALL

The 9th Annual Red Heart Ball, “A Night in Monte Carlo” was the largest celebration of our House to date! Over 480 guests danced the night away to The Marie Wilson Band while enjoying a unique silent and live auction; two people even took home a Labradoodle puppy! Our Master of Ceremony, Christopher Gabriel, entertained guests while sharing his personal connection to the Ronald McDonald House. George and Chelsea Camacho, a family who stayed with us in February 2015, told their personal experience with our House through a video and a personal testimony. There was not a dry eye in the building after guests learned how their support directly impacts the families of our local community.

FORE! The House Golf Tournament

Opposite

FORE! THE HOUSE

2015 marks our 4th Annual FORE! The House Golf Tournament held at Fort Washington Country Club. Hosted by Cargill and presented by WDS, 36 teams came out to “tee off for a worthy cause” and support our House. This year golfers enjoyed several fun on-course activities such as wine and beer tasting from San Joaquin Wine Co. and Tioga Sequoia, hand rolled cigars from Casa del Tobacco, tacos from Bobby Salazar’s Mexican Restaurant, and tons of fun golf games. One lucky winner walked away with an autographed Derek Carr Raiders Jersey and two tickets to a Raiders game! Every year we look forward to this event and the people who make it such a fun day!

Hosted by Cargill

THIRD-PARTY *Events*

Are you looking for a way to give back to our local Ronald McDonald House? Hosting a third-party fundraiser is a great way to share the mission of hope and togetherness for the families at our House. Whether you are an individual, group of friends, community group, school, or company, your support can make a powerful impact for RMHC Central Valley. Every dollar raised helps us provide our guest families with a comfortable bed, warm meal, and a place of comfort and hope. We will work with you to provide support along the way!

THIRD PARTY FUNDRAISER IDEAS

- Dress down day
Employees pay to wear jeans to work, donate money to RMHC
- Red & white striped socks
- Bake sale
- 5k run/walk
- Sporting Events
Donate percentage of ticket sales to RMHC.
- Hosting a party or fundraiser where the business owner donates a portion of their proceeds
- Birthday party donations
Collect Wish List items in place of presents
- Yard Sale
Have a neighborhood-wide Yard Sale benefiting RMHC.
- Car Wash
- Collect soda can tabs
- Coin drive
- Wish List drive

COLOR ME RAD

Color Me Rad is a popular 5k “color run” where runners cross the finish line doused in colored powdered, liquid an gel. The Color Me Rad run is unlike any other and it is all for the benefit of our local Ronald McDonald House. We are thrilled to be partnered up with such a fun organization that allows us to share our mission to thousands of people each year!

SANTA MARIA RACEWAY

Heidi Lethcoe stayed at our House for 68 days when her newborn son Braden had heart surgery. At just a day old Braden was diagnosed with ASD (Atrial Septic Defect), VSD (Ventricular Septal Defect) and an Interrupted Aortic Arch. Heidi and her family live in Santa Maria, CA; three hours away from Valley Children's Hospital where Braden was airlifted—three hours away from her family, friends, home and everything she knew.

She received tons of support from her parents, siblings and grandparents who took turns staying with her at our House. Our House became their Home while Braden grew strong. Today Braden is healthy and doing great! Heidi & her family wanted to do something special to raise awareness for our House & other families who need a place to stay while their child receives treatment.

On July 11, 2015, Heidi's dad, Pete Lethcoe, and their family hosted the first ever Ronald McDonald House of the Central Valley fundraiser at the Santa Maria Raceway! We recognized the families we serve so far from their home, that find comfort in our House. We sold raffle tickets to win a Huffy Bike, donated by Walmart, or a tailgate BBQ, donated by Santa Maria BBQ Outfitters.

Race guests took pictures in our Ronald Shoes, donated to our House, but most importantly, they learned about what we do for families like the Lethcoes.

Heidi was able to share her story with the crowd & how grateful she was to have stayed at our House. It was a very fun, entertaining, successful night! 100% of the proceeds from raffle tickets were donated right back to our local RMHC! We raised \$650 for our House which will provide 43 nights stays.

Richard Ruiz Jr.

2016 GIVEAWAYS

1963 Corvette Sting Ray

2016 Corvette Z06

Superformance MKIII Cobra Replica

Big changes took place for our annual car drawing last year. Our annual car drawing is our largest fundraiser for our chapter. Each year we search for a highly desired collector car, typically a classic, and sell tickets for at winner a dream car. In 2015, however, we really wanted to raise the bar and think outside the box. By year end, we had given away two amazing cars and two relaxing vacations.

We started selling tickets for the 1967 Corvette Sting Ray, in January. This fully restored beauty was rally red with blank stinger and under the hood was a 427ci engine pushing out 435 horsepower. We pulled the winning ticket November 7th at our Annual Red Heart Ball and called the winner live in front of the entire audience. Needless to say, he was quite excited when he found out he won. Congratulations to Robert Heffley from Oregon, winner of the 1967 Corvette Sting Ray.

With years of success selling tickets for our classic car drawings, we decided to conduct a drawing for a new car as well. We didn't want just any new car. During our search for the best new car to offer, we came across the 2015 Corvette Z06. It goes 0-60 in 2.95 seconds, which is the fastest production car GM has ever produced. After reading the specs and seeing the pictures, we knew we had to get one. We started selling tickets in March of 2015, sold tickets throughout the year, and pulled the winning ticket in the Hedrick's Chevrolet showroom on December 12, 2015. Congratulations to Richard Ruiz from California, winner of the 2015 Corvette Z06.

We conducted two vacation getaway drawings in 2015. The first drawing concluded on July 31. The winner was Barbara Bigelow from California. She and a guest will be enjoying roundtrip airfare and spending four relaxing nights at the Maui Wailea Resort in Hawaii. The second drawing concluded December 4th and was won by Michael Rothman from New Mexico. He and a guest will be enjoying roundtrip airfare and 4 relaxing nights at the Fairmont Orchid Resort in Hawaii. Congratulations and Bon Voyage!

Whether you support us by entering one of our drawings, attending a special event, donating wishlist items, or volunteering your time and talents, we cannot thank you enough for your support. The ability to provide a home away from home for families while their children are being treated at a local hospital hinges on your support.

Lowe's **ADOPT** *a ROOM* Program

The “Adopt A Room” Partnership is a program, allowing individuals, companies, or organizations to be the exclusive room sponsor for one of the 18 rooms at the Ronald McDonald House Charities of the Central Valley at 9161 Randall Way Madera, CA 93636. The funding will sponsor all of the families who use that room throughout the year & provide a room upgrade in partnership with Lowe’s.

The “Adopt A Room” Partnership is a \$5,000 annual sponsorship. 20% of the donation will go towards the room upgrade & 80% will sponsor the families that stay in the room. The Madera, CA Lowe’s has committed to donating their time to complete upgrades on all 18 rooms as well as an amazing discount to keep our costs down. Without Lowe’s, this would not be possible.

THANK *You*

In 2015, we celebrated our 40th anniversary as an organization and 30 years as a Home to thousands of families in the Central Valley. We cannot do it without you.

Because of your generous support, this past year we had the privilege of serving a total of 1,760 families. 619 families stayed with us, 519 families used our Day Room and 622 families were fed a meal through our Meals of the Heart Program. Because of your continued support we served an additional 890 families in 2015 compared to only 532 families in 2014.

We rely solely on the generosity of the community and could not do it without you. Because of you we are able to provide families with comfort and hope while their child gets strong enough to go home.

Thank you for partnering with Ronald McDonald House Charities of the Central Valley; your support has helped keep children and their families close when they need it the most. It is because of your continued support and encouragement that we are able to provide a “home away from home” and resources to children and their families.

On behalf of our families, Thank You!
