MESSAGE FROM

RMHC
CENTRAL VALLEY

The first quarter of 2022 brought RMHC Central Valley many needed changes. Your generosity allowed us to continue to make improvements to the House. We used your gift to purchase new bathroom fans for 18 guest rooms and the Day Room and two new AC units throughout the house. This was a critical upgrade to the house, as we are hoping to welcome more families back during the warm summer months.

Thank you,

Alene Mestjian

Director of Development and
Communications

NEW

BATHROOM UPGRADES

Our operations staff keeps a watchful eye on the ongoing maintenance needed at the House. With your donations, we were able to make updates to restrooms in the House. New vents were installed in all bathrooms throughout the House. This small but major update will help us continue to ensure that guest families are comfortable and cared for while they are staying at RMHC Central Valley. Your donations cover every expense, allowing our guest families to focus on the health of their seriously ill child.

NEW

GOLF CART SHUTTLE UPGRADES

We are excited to share that we have also replaced and cleaned up our golf cart shuttle! This will help out volunteers drive families to and from the hospital. We are looking forward to the warmth and joy that our volunteers bring to our guest families. As always, thank you for your tremendous support of RMHC Central Valley and the families we serve.
