## MESSAGE FROM

# RMHC CENTRAL VALLEY

The second quarter of 2022 brought RMHC Central Valley many welcomed changes. We were so grateful to be able to invite siblings back to the House, while following the proper RMHC Global and local county official guidelines. With your generous donations, we were able to purchase new games and toys for the siblings staying at the house. We are proud to share that we have increased occupancy at the House, serving more families who have a child at Valley Children's Hospital.

Another exciting update we would like to share is the increase in volunteer interest, and participation in our Meals From The Heart Program. We have received many thankful messages from guest families explaining the joy they have felt in receiving a nice, home-cooked meal. As always, thank you for your tremendous support of RMHC Central Valley and the families we serve.

Thank you,

*Alene Mestjian*

## KITCHEN UPGRADES

Our operations staff keeps a watchful eye on the ongoing maintenance needed at the House. With your donations, we were able to make some much-needed updates to our kitchen facilities. New kitchen faucets, garbage disposals and supply lines were installed in both kitchen wings. Our guest families have full access to the kitchens 24 hours a day. We provide everything they would need to prepare a meal, such as pots, pans, and other kitchen necessities—all free of charge. Your donations cover every expense, allowing our guest families to focus on the health of their seriously ill child.
