House Updates

In Q4 of 2022, we made many improvements to RMHC Central Valley with your generous investment in our House. We were pleased to install brand new 50 inch TVs in all guest suites, including our Day Room! These TVs are a great addition and much-needed improvement from the 32 inch TVs that were previously installed in the early 2010s.

With a generous grant from the Frank & Evelyn Schmidt Family Foundation, we were able to install brand-new furniture in our Living Room. The room was designed by our partners at Tangram Interiors, and the furniture is able to be sanitized, which maximizes cleanliness for our guest families at RMHC. The modular ottomans and chairs are meant to be reconfigured per families' needs. We thank the Frank & Evelyn Schmidt Family Foundation and Tangram Interiors for their work on this project.

The Adopt A Room program donors have increased visibility at RMHC! New signage in our main hallway adjacent to the living room was installed by our partners at ProScreen. This beautiful installation is a great reminder of the wonderful support we have from our community. It is in a highly visible area of the House and we are so proud to partner with each of you.

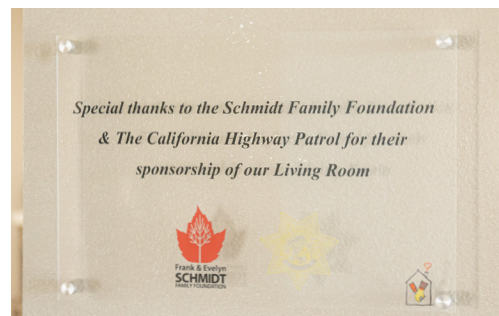

We look forward to a great 2023 with your support. Thank you, as always, for your investment in our mission.

Sincerely,

Alene Mestjian

RED HEART BALL

BENEFITING RMHC CENTRAL VALLEY

THE RED HEART BALL WAS A SUCCESS!

On Saturday, February 11, we were thrilled to once again host the 14th Annual Red Heart Ball benefiting RMHC Central Valley! This was our first in-person gala since 2020! More than 650 community members attended the event at Clovis Veterans Memorial District and enjoyed a night of gourmet food, entertainment, silent and live auctions, opportunity raffles, dancing, and more. The Red Heart Ball would not be possible without the generous contributions of our donors and event sponsors. Thank you for your support of the Red Heart Ball and RMHC Central Valley.
