House Updates

3rd

QUARTER
2023

In the third quarter of 2023, your generous donations played a vital role in making important upgrades and improvements to our facilities. Your support enabled us to enhance the living conditions for the families staying with us, and we want to share the positive changes that your donations have brought about.

One of the key improvements made was the upgrading of the electrical outlets and wiring in our North and East wing kitchens and pantries. This crucial enhancement ensured that all of our kitchen appliances are now properly connected and running smoothly. Families who stay at RMHC rely on these facilities to prepare meals, and your contribution has made this experience more convenient and efficient for them.

Furthermore, your support allowed us to purchase a new washer for our West wing laundry room. This addition has greatly improved our laundry facilities, making a daily chore much more manageable for the families who depend on our services during their challenging times.

Another major addition, thanks to your support, was the purchase of lawn equipment. This equipment now enables our operations assistant to take control of yard maintenance while maintaining the curb appeal of the House. A welcoming and beautiful environment is essential to creating a supportive and comforting atmosphere for our families, and your contribution has directly contributed to this goal.

Your generosity and dedication to our cause have positively impacted the lives of many families who turn to us for support during difficult times. Your kindness and belief in our mission to provide a "home away from home" for families with sick children is truly inspiring. We are committed to ensuring that every family's stay at RMHC is as comfortable and supportive as possible, and your contributions have made that mission a reality.

Once again, on behalf of RMHC Central Valley and the families we serve, we extend our heartfelt appreciation for your support. Your kindness and generosity have made a tangible difference in our ability to provide a safe and caring environment for those in need.

Thank you for being an essential part of our journey to help families during their most challenging times. Your compassion is deeply valued, and we hope to continue this partnership for years to come.

Sincerely,

Alene Mestjian
