

# DONATE A MEAL, COMFORT RMHC FAMILIES' HEARTS:

# Donate Now

Dollars For Dinner aims to fundraise **\$52,000** to feed valley families every day for a year—that's **\$1,000 per week for 52 weeks**—help us reach our goal.

## WHY WE NEED YOUR HELP

There are days when RMHC Central Valley does not have volunteers available to cook meals for our guest families. On these days, RMHC must purchase meals and groceries, which can strain our resources and limit our ability to support families effectively. Your generosity can help alleviate this burden, ensuring that families receive the consistent support they need during challenging times.

## HOW TO GET INVOLVED

**CONTRIBUTE TO THE CAMPAIGN** Make a difference by donating to the Dollars for Dinner campaign at a level that suits you or your business. Every contribution helps us reach our goal and ensures that families have access to nutritious meals throughout the year.

**HOST A FUNDRAISING EVENT** Organize a fundraising event in July or August to benefit the Dollars for Dinner campaign. Your creativity can help raise essential funds and bring the community together for a great cause.

**DONATE BUSINESS PROCEEDS** Pledge a portion of your business's sales during July and August to support the Dollars for Dinner campaign. This is a simple yet impactful way to contribute, showing your customers that you care about the community and its families.

**JOIN THE HELPFUL HEARTS CAMPAIGN** Participate in the Helpful Hearts sub-campaign by advertising the Dollars for Dinner campaign at your place of business. Your clients can give a donation to the campaign and display their gift with a "Helpful Hearts" ornament at your storefront/office, encouraging others to contribute to the campaign as well!

## THIS SUMMER

HELP US FUNDRAISE FOR DOLLARS FOR DINNER
