Dollars For Dinner Campaign

*One meal a day, every
day of the year!*

Give more than a meal: give comfort, care, and community.
Dollars for Dinner helps families feel at home, even when they're not.

Why We Need Your Help

On days when volunteers aren't available to cook, RMHC Central Valley must purchase meals and groceries—placing a strain on our resources. Your generosity helps ensure families continue to receive the consistent support they need during difficult times.

How to Get Involved

Contribute to the Campaign Donate at a level that works for you—every gift helps us provide nutritious meals to families all year long.

Host a Fundraising Event Organize an event in July or August to support our campaign—your creativity can raise vital funds and unite the community for a great cause.

Donate Business Proceeds Pledge a portion of your sales this July or August to support our campaign—an easy, impactful way to show your commitment to local families.

Join the Helpful Hearts Campaign Helpful Hearts Sponsors invite their customers to donate to RMHC at the point of sale and proudly display “Helpful Hearts” ornaments in their business to show community support.
